Health and Safety Policy

Health and Safety Policy Statement

Slow Theatre Company

The policy of Slow Theatre Company is to provide and maintain a safe and healthy workplace, ensuring work equipment is safe and safe systems of work are provided for all of our employees. We will provide suitable and sufficient information, training and supervision, as is required to ensure the health and safety of employees. We will ensure we provide suitable and sufficient welfare, sanitary and working facilities as are required.

All **Slow Theatre Company** staff have a duty to ensure that they work in a safe manner and they ensure their acts and omissions do not cause harm to others in the vicinity. Employees will be encouraged to bring to the attention of the management any concerns regarding health and safety issues.

Slow Theatre Company recognises its duty of care towards others not in our employment. These people include; visitors and contractors who have reason to come into contact with our business activities and premises, they will be given suitable and sufficient information to ensure their health and safety. The actions of visitors and contractors will be controlled in such a way so as not to cause harm to our employees or themselves.

Our Health and Safety Policy complies with the requirements of the **Health and Safety at Work etc Act 1974** and will be subject to regular review, when there are any significant changes or at least annually.

Overall Responsibility for Health and Safety in (ENTER NAME) rests with:

Signed: Danny O'Hara Position: Artistic Director

Dated: 5/9/2017

Legal Duties of Employers

It is our duty and responsibility as employers under the **Health and Safety at Work etc Act 1974 section 2.1 and 2.2a-e** and this policy to:

- Ensure as far as is reasonably practicable the health, safety and welfare at work of all our employees.

- Provide and maintain plant and systems of work that are so far as is reasonably practicable safe and without risk to health.
- Make arrangements for ensuring so far as is reasonably practicable, safety and absence of risk in connection with the use, handling, storage and transportation of articles and substances
- Provide information, instruction, training and supervision as is necessary to ensure so far as is reasonably practicable the health and safety at work of his/her employees.
- As far, as is reasonably practicable maintain any place of work in his control in a safe and without risks condition and maintain access and egress from it in a safe and without risk conditions.
- Provide and maintain as far as is reasonably practicable a safe working environment with adequate facilities and arrangements for the welfare of his/her employees.

We also recognise that a breach of health and safety legislation by an employer constitutes a criminal offence. An Enforcing Authority may take criminal proceeding against the Company or its management. This can result in penalties, i.e. fines and / or imprisonment.

Legal Duties of Employees

In addition to the previously described general responsibilities, the **Health and Safety at Work etc Act 1974** places legal duties on all employees.

These are:

Section 7 ‘Health and Safety at Work etc Act 1974’

- To take reasonable care for the health and safety of them and other persons who may be affected by their acts or omissions at work.
- To cooperate with the management to enable the employer to carry out legal duties or any requirements as may be imposed.

Section 8 ‘Health and Safety at Work etc Act 1974’

- No person shall intentionally or recklessly interfere with or misuse any item provided in the interest of health, safety, and welfare.
- Employees should bear in mind that a breach of health and safety legislation by an employee constitutes a criminal offence and action may be taken by an Enforcing Authority against an individual. Such action can result in penalties, i.e. fines and / or imprisonment.

Health and Safety Responsibilities

The overall responsibility for health and safety within **Slow Theatre Company** rests with: The Directors, and the Artistic Director.

The above named person will ensure that sufficient resources, both financial and physical are available so that the Policy and its arrangements can be implemented effectively.

To ensure that the Policy is implemented and maintained so that **Slow Theatre Company** keeps within the requirements of the **Health and Safety at Work etc Act 1974** the above named person may delegate duties to employees who will provide support to meet the responsibilities.

These individuals may also delegate duties to other employees so as to enable the requirements of the Policy to be carried out with due diligence.

Delegation of the individual duties and responsibilities to employees does not in any way detract or remove the ultimate responsibility and duty of care placed on the above person by the **Health and Safety at Work etc Act 1974**.

Individual Responsibilities

The duties of those employees with responsibility for health and safety are set out within this Policy. Details of their individual responsibilities are set out within the Arrangements for Health and Safety section.

The person responsible for ensuring this Policy is put into practice is:

Other duties will include:

- Identifying hazards present within any business activities.
- Ensuring risk assessments are undertaken and any actions are followed through to completion
- Ensuring that hazardous substances are assessed and any actions are followed through to completion.
- Liaising with the Enforcing Authorities as and when required.
- Identifying any training needs.
- The development and implementation of safe systems of work.
- The maintenance of the workplace and buildings.
- Fire and emergency management.
- Ensuring waste is managed.
- Ensuring accidents are reported and investigated.
- Ensuring that any ill-health situations that are caused by work activities are reported and investigated.
- Implementation of Health & Safety and Child Protection Guidelines specifically in regard to the "The Children Act 1989".

Competent Assistance

The competent assistance and advice is provided by: **Employment Law Advisory Services Ltd**

The **Management of Health and Safety at Work Regulations 1999, regulation 7**, requires that every employer appoint one or more competent persons to assist them with the implementation and provision of health and safety measures.

The organisation of Health and Safety Consultants indicated above has been contracted to ensure that Slow Theatre Company is provided with the necessary information, advice and assistance to comply with current Health and Safety Legislation.

The Employment Law Advisory Services Limited will carry out audits of our Health and Safety Management Documentation in order to measure our health and safety performance.

These will be completed within the contractual arrangements at no more than twelve monthly intervals.

Arrangements for Health and Safety at work

Health and Safety Information for employees regulations 1989

The regulations require information relating to health, safety and welfare to be provided for employees by means of posters or leaflets in the 'approved form' and published for the purposes of the regulations by the Health and Safety Executive (HSE).

The regulations require the name and the address of the Enforcing Authority and the Employment Medical Advisory Service to be written in the appropriate spaces on the poster, and when the leaflet is provided, you should specify the information in a written notice. The poster 'Health and Safety Law' – 'What You Should Know' will be displayed in a prominent position in the workplace where it can be read by all our employees.

Information on the poster states who has overall responsibility for health and safety within Slow Theatre Company and the name of any safety representatives that have been identified.

Notices

All notices whether on Slow Theatre Company premises or elsewhere issued in accordance with the Health and Safety at Work etc Act 1974 and its associated legislation must be complied with.

All employees, visitors, and contractors alike must take the necessary action to ensure that they are familiar, as far as is reasonably practical, with any warning signs and the meanings and interpretations of signs, both advisory and warning, and comply with them. Any suggestions on how we may improve health and safety within Slow Theatre Company should be communicated to your manager/supervisor for assessment and feasibility.

All employees and others who may be affected by the contents of this Policy are advised and a master copy of the 'Health and Safety Policy' statement for Slow Theatre Company is retained in the main office. The policy contains detailed information relating to the business activities and a copy is available for you to read.

Slow Theatre Company consider themselves responsible employers, we will ensure that all employees read the policy and any areas that are not understood are explained to them in detail.

The Health and Safety (Consultation with Employees Regulations 1996)

Where there are employees, who are not represented by safety representatives under The Safety Representatives and Safety Committees Regulations 1977 amended 1997 the employer must consult those employees in good time on matters concerning their health and safety at work.

- The introduction of any measures in the workplace, which may substantially affect the health and safety of the employees.
- The employer's arrangement for appointing or nominating an employees representative and their responsibilities and any resources that may be required to allow them to carry out the duty.
- Any information that the employer is required to provide under relevant statutory provisions
- The planning and organisation of any training requirements with regard to health and safety
- Any new technologies that are brought into the workplace and the training and consequences with regard to health and safety that may arise from the new technology.

To allow the business to carry out this duty consultation with employees will be the responsibility of:

The elected or nominated person/s to act as the employees' representative is: **Danny O'Hara and the Directors of Slow Theatre Company**

Health and Safety meetings or toolbox talks will take place: **Annually, or at the beginning of each project**

Regular health and safety information will be posted on a specific notice board. The notice board is located in: **This is in the Health and Safety bag, used at all Slow activities.**

Identifying and Managing Health and Safety Risks

Risk Assessments

The Management of Health and Safety at Work Regulations 1999, Regulation 3, requires that an employer must carry out a suitable and sufficient assessment of the health and safety risks to his/her employees whilst they are at work. He/she must also consider those not in his/her employment that may come into contact with the business activities or premises. Before embarking on this task we need to have an understanding of the following:

- A Hazard is something with potential to cause harm.
- The Risk is a measure of the likelihood that harm will be caused.

Slow Theatre Company will ensure they carry out risk assessments of all the tasks and equipment connected with the business activities, that is likely to present a significant risk

of injury or ill health to the employees and others.

The person responsible for carrying out the risk assessments is: **Activity Leader & Danny O'Hara**

The risk assessments will be made available to all employees who must read them. After reading and understanding the content of the risk assessment, the employee must sign a confirmation sheet to confirm that they have read and understood the assessment and its findings.

Responsibility for implementation of risk assessments and any controls that are required rests with the nominated person above supported by any other employees as required.

The managers or supervisors will monitor the effectiveness of any actions resulting from the findings of the risk assessments. Any deficiencies identified will be reported to the person responsible for carrying out the risk assessments.

All risk assessments will be reviewed annually as a minimum, or if there are any significant changes that affect the validity of the risk assessment, whichever comes sooner.

Manual Handling

The Manual Handling Operations Regulations 1992 (as amended) require that all manual handling tasks must be avoided where reasonably practicable, where this is not reasonably.

Practicable then an assessment of the risks to employees must be carried out. The manual handling assessments will be made available to all employees.

After reading and understanding the manual handling assessment, the employee will sign the confirmation sheet to confirm that they have read and understood the content of the assessment.

The person responsible for carrying out the manual handling assessments is:

Responsibility for implementation of manual handling assessments and any controls that are required rests with the nominated person above, supported by any other employees as required.

The manager/supervisor will monitor the effectiveness of the manual handling assessments.

Any deficiencies will be reported to the person responsible for carrying out the manual handling assessments.

However, management cannot carry out an assessment for all minor tasks; therefore it is the responsibility of employees to mentally assess the risk of harm to themselves and others before carrying out manual handling.

Before carrying out any manual-handling task employees must consider

- The Task - What you are going to do
- The Individual – The person's own capabilities

- The Load - The weight, size and shape of the load
- The Environment – The environment to which the task is being undertaken

If in doubt get help

All manual handling assessments will be reviewed annually or if there is any significant changes that affect the validity of the risk assessment, whichever comes sooner.

Work Equipment

The Provision and Use of Work Equipment Regulations 1998 requires that all equipment and machinery used for work must be suitable for the task. When choosing work equipment a number of factors must be considered:

- The task that the equipment or machinery is to be used for.
- The environment where it is going to be used.
Who is going to use it?
- All equipment purchased or hired by (ENTER NAME) must comply with the minimum safety standards as are required by The Supply of Machinery (Safety) (Amendment) Regulations 2005, We will also ensure our equipment is in compliance with British and ISO standards and it is CE marked when purchased within the European Union.

The person responsible for the supply, procurement, and repair of work equipment and machinery is: **Danny O’Hara**

Items of work equipment that require statutory inspection by competent persons will be inspected at the required intervals as stated below,

All lifting equipment will be inspected six or twelve monthly as required by the Lifting Operations and Lifting Equipment Regulations 1998 as Amended, records will be retained.

All portable electrical equipment will be inspected at regular intervals dependant on its type and usage.

Pressure systems will be inspected at regular intervals as determined by the written scheme of examination.

The competent person responsible for inspection of electrical equipment is: **Danny O’Hara**

Records of these inspections are kept in: **the Health and Safety Folder or in the locked cabinet at 68 Northfields, Norwich**

Work Equipment

All defects of any work equipment must be reported to: **Danny O’Hara**

Records of repair and maintenance are retained and inspections of other work equipment that may deteriorate with use (e.g. ladders and stepladders) require such inspections.

Records of repair and maintenance are kept in: **Health and Safety Folder**

Display Screen Equipment (DSE)

The Health and Safety (Display Screen Equipment) Regulations 1992 require that an assessment of all display screen equipment (DSE) and the workstation be carried out to identify any risks present.

Prior to carrying out the assessment a checklist will be completed so as to identify the presence of any significant risk.

We recognise that DSE users require training and will provide it as necessary.

Danny O'hara

Although Slow Theatre Company accepts that computer use can cause degeneration of the eyesight, we cannot be held responsible for degeneration caused by natural causes such as long or nearsightedness.

If corrective eyewear is required then we will provide basic eyewear for full time staff, which must be used whilst the operative is using the computer.

Slow Theatre Company will not pay for any other type of eyewear, such as bi-focal or vari-focal if an employee requires these then they must pay the cost difference.

The Workplace

The Workplace Health Safety and Welfare Regulations 1992 are designed to provide all employees with a safe place to work and adequate welfare facilities.

We will also ensure that the premises as well as any fixtures, fittings and plant within it do not present a health and safety risk to any visitors and contractors that may come into contact with our business activities and premises.

Workplace inspections that identify defects and omissions early will be carried out at regular intervals, when defects and omissions are identified, then a time scale and person responsible for repair or implementation will be set.

Inspections of the buildings and outside environment will be carried out every:
All defects and omissions must be reported promptly so that they can be dealt with.

The person responsible for dealing with workplace defects is: **Danny O'Hara**

The Institution of Electrical Engineers Regulations and the HSE recommend that a competent electrician should inspect fixed electrical installations at least every five years and a certificate of inspection obtained and retained.

The person responsible for ensuring electrical installations are inspected is: **Danny O'Hara**

Any electrical defects must be reported to: **Danny O'Hara**

In order to maintain a safe and health workplace, good housekeeping is extremely important.

All employees have a part to play in the delivery of this requirement. They will ensure that their workplace and work equipment is kept in a clean and tidy condition, items and equipment must not be left on the floor to present a trip, slip or fall hazard and any cables are tucked away or routed away from traffic routes.

Good Housekeeping is Everybody's Responsibility

Control of Contractors / Event Organisers

All workplaces use contractors from time to time for example electricians, window cleaners, painters, and decorators, plumbers and other trades persons. These will be controlled so that they work in a safe manner and do not cause any staff, and other visitors to be at risk.

We also understand that the controls must also protect the contractor from any risk them from any hazards that may arise as a result of our business activities.

Prior to any contractor carrying out any work at our business premises or elsewhere on our behalf, the contractor must produce or complete the following:

- **A copy of their current Employer and Public liability insurance.**
- **Copies of any accreditations applicable to the job they may have.**
- **A method statement for the task they are to carry out.**
- **Copies of any risk assessments relevant to the job.**
- **Any other information that may affect the health and safety of anybody involved.**

Contractors / event organisers will be expected to be aware of the Child Protection policy, to comply with it, and to arrange for appropriate DBS disclosures.

The organisers of the activities will be expected to provide appropriate child protection training for all staff.

The following topics must be covered:

- **Handling a disclosure**
- **Reporting an allegation**
- **Confidentiality**
- **Code of good practice and code of behaviour**

The person responsible for the control of contractors / event organisers is: **Danny O'Hara**
Justin Eade

First Aid

The Health and Safety (First Aid) Regulations 1981 requires the employer to provide adequate first aid equipment and a sufficient number trained people to administer first aid

when required.

We will carry out a first aid risk assessment; this will enable us to establish the number of trained first aid person/s we require as well as the amount of first aid equipment needed.

Factors considered will be:

- The number of people involved.
- The level of risk that our business activity presents (low, medium or high risk).
- The proximity of our business (location e.g. rural or town centre, that may affect the speed at which the paramedics will arrive).
- Any other issues that may affect the assessment.

The qualified first aid people or appointed persons are: **Danny O'Hara, Justin Eade, Chris Read, Helen Leverage**

The first aid boxes are located at: **With the register at workshops, classes or activities.**

All accidents are to be reported and entered in the accident book, which is located in: **The Health and Safety Bag. Or online in shared documents.**

All accidents will be investigated and remedial actions identified this will prevent reoccurrence of the same or similar incidents. The level of investigation will depend upon the seriousness of the accident.

The person responsible for investigation of accidents is: **Danny O'Hara and Helen Leverage**

Reporting of Injuries Disease and Dangerous Occurrences (RIDDOR) Regulations 1995

Under these regulations specific work related accidents, diseases, and dangerous occurrences must be reported to the Enforcing Authorities. The method of reporting is through the Incident Contact Centre (ICC).

Although there is a comprehensive list of reportable situations within the regulations the main incidents that must be reported are:

- Fatalities –These must be report as soon as possible by the quickest method possible, usually by telephone.
- Major injuries such as broken bones and back injuries etc.
- Injuries that causes the employee to be away from his/her normal work activity for more than three days.

The person responsible for reporting incidents is: **Danny O'Hara Helen Leverage**

Records are to be securely kept of any reportable incidents.

The record must include information such as:

- The name and occupation of the injured person or those involved in the incident.
- The status of the injured person (employee or visitor/contractor).
- The location of the incident.
- A brief description of the incident or disease.

- The date, time and method of reporting.

Incidents and diseases can be reported by the following methods:

- **By post on forms F2508 (for incidents) and F2508A (for diseases).**
- **By telephone 0845 300 9923**
- **By fax 0845 300 9924**
- Online at www.riddor.gov.uk

Fire Safety

Under the Regulatory Reform (Fire Safety) Order 2005 and the Management of Health and Safety at Work Regulations 1999 and through the employers are required to undertake a specific risk assessment of the risks posed by fire within their businesses undertaking.

A specific fire risk assessment will be undertaken and the findings implemented. The fire risk assessment will be review at least annually, or if there is any significant change in the circumstances.

The fire evacuation will be practiced at least twice annually but not in the same six months. The alarm system will be tested weekly
The person responsible for carrying out the evacuation practice and tests then recording the results is: **Justin Eade Danny O'Hara**

The fire marshals are: **Danny O'Hara and Justin Eade**

The assembly point is situated at: **Various points for the various rooms, all information is reported in the Health and Safety bag, and communicated to the team, at the beginning of the activity.**

Slow Theatre Company only uses venues that have a comprehensive health and safety policy in place.

Fire Safety

Emergency exits and evacuation routes will be kept clear at all times and checked at regular intervals the person responsible is: **The Facilitator**

The Fire Procedure is as follows:

If you discover a fire:

- Raise the alarm by the recognised method.
- Only tackle the fire if trained to do so, with the equipment provided, ensuring your exit is clear at all times and without taking personal risks.
- Call the Fire Brigade Immediately by telephone.
- Give the operator the contact telephone number.

When speaking to the Fire Brigade provide the following information:

- We have a fire at Slow Theatre Company and give the operator the full address.
- Do not replace the receiver until the Fire Brigade has repeated the address.
- Call the Fire Brigade immediately to every fire or on suspicion of a fire.

Upon hearing the recognised alarm:

- Evacuate the building by the nearest available emergency exit.
- Move towards the fire assembly point and report for role call.
- The fire role call coordinator will inform the fire service of any missing persons.
- Do not stop to collect personal belongings.
- Do not re-enter the building until the Senior Fire Officer informs you it is safe to do

Stress

Slow Theatre Company recognises that work related stress can cause ill health and will put controls in place to help prevent stress. However, Slow Theatre Company cannot be held responsible for stress caused by outside sources such as financial or domestic problems.

Because stress does not affect all people in the same way and that one person may find a job stressful when another does not, it is difficult to assess the risk to all employees. Therefore, employees must ensure that they report any undue stress that they may feel from different work activities

Stressful situations can be reported in confidence to: Artistic Director

Violence

Violence and aggression to in the workplace is unacceptable but is a recognised hazard, therefore to reduce the risk to any of our employees a specific risk assessment will be carried out and reviewed as and when required but at least annually.

The assessment will:

- Recognise the risk from violence.
- Give commitment to reducing the risks.
- State who is responsible for doing what.
- Provide an explanation of what is expected from individual employees.
- Provide support for people who may have been assaulted or suffered verbal abuse.

Training in the prevention and management of violence and aggression will be provided where it is considered necessary.

The policy, risk assessments and procedures will be reviewed annually or if there is any significant change.

Pregnancy

It is important to Slow Theatre Company that the health, safety and welfare of all our employees is safeguarded. We recognise our responsibilities under the Management of Health and Safety Regulations 1999 Regulation 16 and realise that if any of our employees become pregnant they must inform their manager/supervisor immediately. This can be verbally but must be followed up by a written confirmation from their doctor.

The management will carry out an individual specific risk assessment of the work that the employee does for the company to determine any risks to her and her unborn baby that may arise from the work activities.

The risk assessment will be carried out by: **Danny O'Hara**

Where the risks are significant then assistance or alternative employment will be provided.

Pregnant employees must not:

- Carryout manual handling tasks (Lifting and Carrying).
- Use or come into contact with any chemicals.
- Work at height (stand on step ladders, step ups etc).

Pregnant employees must.

- Work to the controls put in place by the risk assessment.
- Inform their line manager/supervisor of any problems or changes that may occur during their pregnancy so that the risk assessment can be reviewed.

To maintain a safe working environment for any pregnant employees a suitable rest area will be provided for them to rest if required. Seating will be provided for the employee to carry out their work.

Young Persons

The Management of Health and Safety at Work Regulations 1999 Regulation 19 defines a young person as someone who is over the legal school leaving age of 16 years but has not reached the age of 18 years.

Due to of their lack of experience, maturity and lack of awareness it is essential that they are supervised at all times until they gain the required experience, maturity and awareness of the risks.

A risk assessment will be carried out to determine any risks that the young person may be exposed to;

the risk assessment will be carried out by: **Danny O'Hara Justin Eade Helen Leverage**

Any young person will be provided with all the information; instruction, training and supervision they require. They will also be provided with a mentor (responsible employee), who has accepted the responsibility of overseeing the young person.

Young persons will not be allowed:

- To carry out work that is beyond their mental and physical capability.
- To be exposed to substances that are toxic or carcinogenic.
- To carry out tasks that can involve risks be assumed is beyond their recognition.
- To be exposed to extremes of heat, cold, noise and vibration.

The young person must

- Carry out all reasonable instructions given to them by their mentor.
- Refrain from horseplay or practical jokes.
- Report anything that they feel unsure or unsafe about

Transport

The road transport safety of our employees is important to Slow Theatre Company. To ensure that vehicles and users are safe at all times the company will carry out risk assessments to ensure that the correct controls and safeguards are put in place.

The person responsible for carrying out the risk assessments is: **Danny O'Hara**

- All drivers will hold full clean UK driving licenses.
- All drivers must report any ill health, which may impair their driving abilities, road accidents and any fines and driving endorsements received. They may then be removed from the authorised drivers list
- All vehicles will have a valid Road Fund Tax disc.
- All vehicles will have valid fully comprehensive insurance for the extent of the vehicles use.
- Privately owned vehicles may only be used on company business if covered by fully comprehensive insurance with extra business or passenger cover dependant on the type of vehicle
- Privately owned vehicles used for company business must have all the relevant documentation.

The rules and assessments will be reviewed annually or if any significant change takes place.

Mobile phones

It is an offence under the Road Traffic Act to use a hand held mobile phone whilst driving this includes waiting at traffic lights and in traffic queues.

Slow Theatre Company will not place pressure on any employee to use the phone whilst driving. Therefore the company cannot be held responsible for any employee who is prosecuted for this offence. Before answering the phone the driver must pull over and park in a safe place. The use of call divert to voice mail is encouraged or the use of the answering machine. The text message service is not to be used whilst driving. Failure to comply with this rule may lead to disciplinary action.

Training

Slow Theatre Company recognises the duty to provide its employees with whatever training is required so that they can carry out their job in a safe manner. This will ensure they are protected from hazards and that they do not cause anyone to be harmed by their activities. To ensure this is carried out the person below has been appointed to identify any training

needs:

The type of training that will be provided is:

- Induction training for all new employees
- Job specific training for all new employees or employee who transfers to other roles.
- Health and safety training for all employees that have been given specific tasks in the policy and to allow all employees to carry out their jobs safely.
- Extra training and supervision will be provided for young people because of their immaturity and lack of experience.
- Training will either be provided in house where appropriate or by an accredited training provider.

All training will be recorded and retained with the employee's personal file; the employee will sign to confirm that they have received the training and understood it.

The person responsible for maintaining the training records is:

- Health and Safety Training should include:
- Manual handling training as and when required.
- Use of Display Screen Equipment where necessary.
- Health and Safety awareness.
- Fire prevention and safe use of fire equipment.
- Any other training that may be relevant to their tasks or health and safety.
